

NATIONAL PARKS AND WILDLIFE, SOUTH AUSTRALIA

Application for a permit to operate a radio controlled Model Glider

(No fee required)

Regulation 23, National Parks and Wildlife Act, 1972

Name _____

Address _____

_____ Postcode _____

Telephone Number _____

MAAA membership number _____

PLEASE READ AND COMPLETE THE FOLLOWING DETAILS WHERE REQUIRED:

1. Operation of a radio controlled model glider will **only** be permitted in the *Deep Creek Conservation Park*.
2. I am aware of the specified area and wish to use the take off and landing point at *Tapanappa Ridge*.
3. I understand that the permit will be valid for three years from the date of issue, but that National Parks and Wildlife, South Australia reserves the right to rescind or revise the permit.
4. I understand that the permit system does not involve National Parks and Wildlife, South Australia in any assessment of the competence of an individual.
5. Subject to the issue of this permit I hereby agree to indemnify and hold harmless the South Australian Government and its servants or agents against all actions, proceedings, claims, demands, damages and costs whatsoever which may be taken or made against the said South Australian Government, its servants or agents arising out of, or in respect of the use of radio controlled model gliding equipment whether such action, claim, demand, damages or costs should arise from the manner of use of the said equipment or from a defect in the said equipment and whether such defect is known or unknown to the said South Australian Government, its servants or agents, or in any way whatsoever.

CONDITIONS UNDER WHICH THE PERMIT TO OPERATE A RADIO CONTROLLED MODEL GLIDER IN DEEP CREEK CONSERVATION PARK, AT TAPANAPPA RIDGE IS ISSUED:

1. All flights must be made from authorised take-off area on Tapanappa Ridge.
2. The wing span of any glider must not exceed 5 metres.
3. The authorised area will also be used by hand gliders.
4. Details of any accident must be reported to the Senior Ranger as soon as possible.
5. All requirements of the National Parks and Wildlife Act, 1972, and the Regulations under the Act, as applying to the use of Reserves shall be adhered to at all times while within the park. In particular, it should be noticed that:
 - a) A day entry permit is required if using the park.
 - b) A camping permit is required if camping in the park overnight.
 - c) Vehicles may only be driven on established roads and tracks.
 - d) No fires shall be lit or maintained except in the places provided and fires in these areas must be extinguished before leaving.
(Fire danger season extends from 1st Nov until 30th April - gas fires only)
 - e) No fire shall be lit on a day of TOTAL FIRE BAN.
 - f) No person shall carry or discharge any firearm or other weapon.
 - g) No pets are permitted in the park.
 - h) No person shall take, kill or disturb any animal.
 - I) No person shall cut, pick or damage any plant.
 - j) Litter must be removed from the park.
 - k) Removal of stone, soil or other material is prohibited.
